To Grand Valley Mayor & Council:

We are nearing that time again when we will be hosting the 84th Annual Santa Claus Parade and we look forward to seeing the streets lined with many families to enjoy the festivities!

This year's parade is scheduled for Saturday November 30, 2024, starting at 7:00p.m. As per the attached map, the parade will start at the Community Centre and go south on Emma Street, then east on William Street and north on Main Street and then the floats will return to the Community Centre. We will also be hosting a free family skate (from 3-5pm) at the Community Centre.

We respectfully ask permission for road closures from 6:30p.m. to 8:00p.m. on Main Street just north of Webb Street and south of William Street, Mill Street east and west at Main Street and Amaranth Street east and west at Main Street. If alternate/additional closures are required, we are happy to work out the details.

At this time, we would also like to request the assistance of Public Works employees on the night of the parade, and several traffic barrier signs to assist with this event. Historically, this event was covered by the Town's special events insurance coverage and a COI (certificate of insurance) was provided to the committee as well as the Grand Valley Agricultural Society. We are requesting the same assistance this year.

We will inform the necessary emergency personnel:

Grand Valley and District Fire Department
Dufferin County Ambulance Services
Dufferin County OPP

We thank you in advance for your generous contributions to this annual family event. If you have any questions, please do not hesitate to contact me directly.

Sincerely,

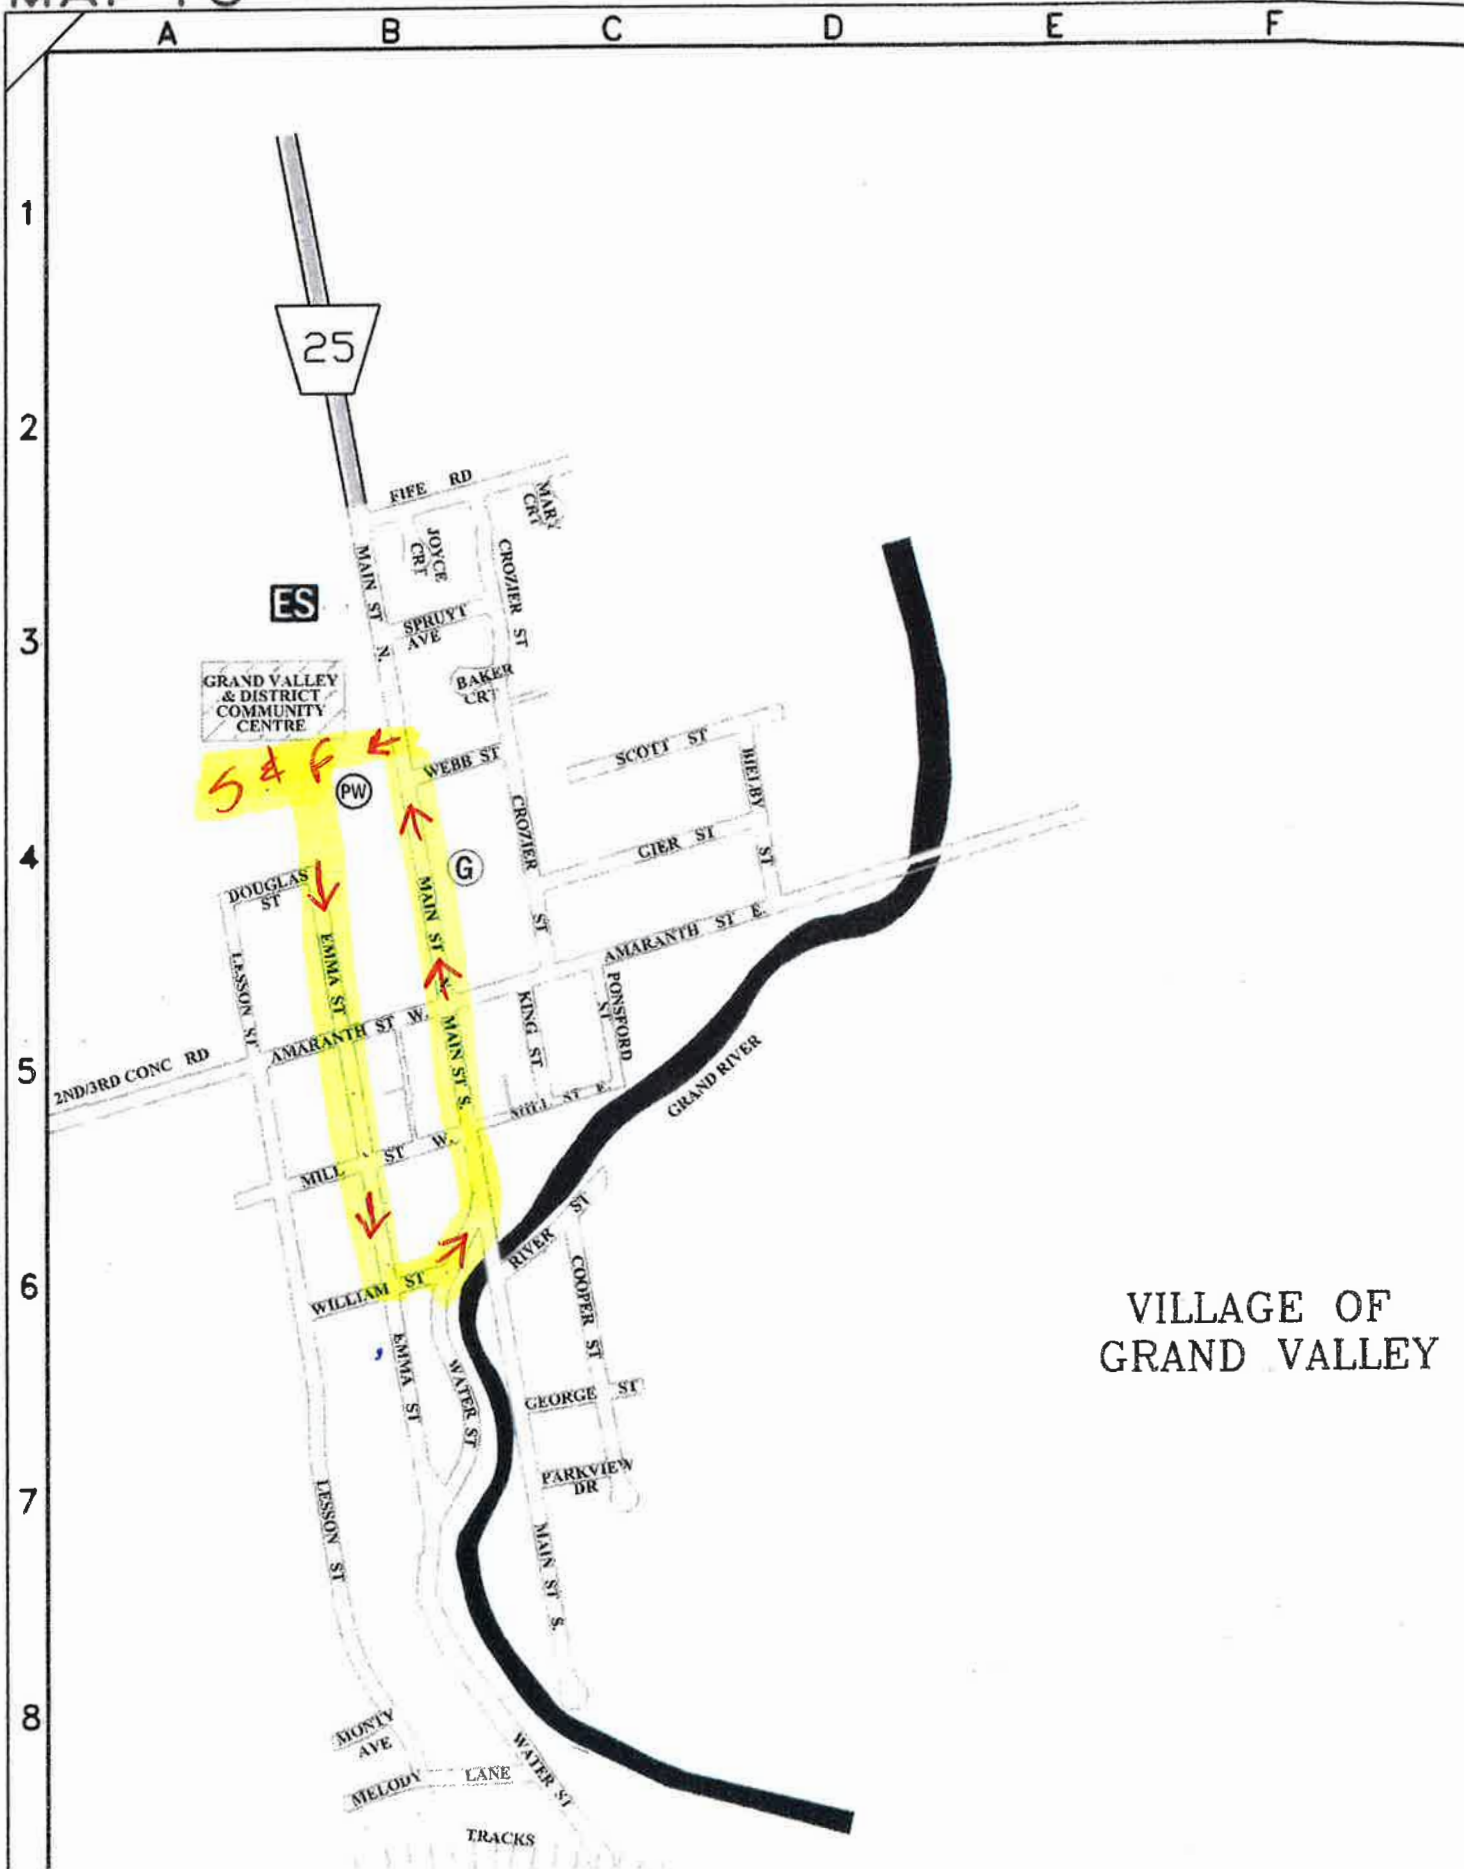

SANTA CLAUS PARADE COMMITTEE
