Dear Mayor Soloman:

I would like to thank Councillors James Jonker and Paul Latam for taking the time to meet with me at the 2024 Association of Municipalities of Ontario Conference.

I appreciated learning about the Town of Grand Valley's interest in employment growth and the need for additional land to attract development. I also appreciated your interest in the status of Dufferin County Official Plan Amendments 2 and 3. As discussed during the delegation, draft decisions have been circulated to Dufferin County for feedback and I anticipate the ministry will be in a position to issue decisions soon.

If you would like to discuss your matters further, please contact my Director of Stakeholder Relations, Madison Lee, at Madison.Lee2@ontario.ca. Municipal staff are also welcome to contact the ministry's regional Municipal Services Office. Regional Director Ian Kerr can be reached at Ian.Kerr@ontario.ca or 519-873-4026.

I look forward to continuing to work with you and all our municipal partners to build more housing, support economic growth and strengthen Ontario's communities.

Sincerely,
