Town Planner  
Town of Grand Valley

RE: 68 Water Street, Grand Valley

Dear Mark,

The Mississaugas of the Credit First Nation (MCFN), Department of Consultation and Accommodation (DOCA) submit the following comments:

The Mississaugas of the Credit First Nation hereby notify you that we are the Treaty Holders of the land on which the development of an expansion on the existing residence and proposal of a second driveway will be taking place. This project is located on the Traditional Lands of the Mississaugas of the Credit First Nation.

Therefore, the MCFN Department of Consultation and Accommodation (DOCA) requires that we be in receipt of all Environmental Study reports and that a Stage 1 Archaeological Study be conducted on the site to determine its archaeological potential and further that the Stage 1 report be submitted to MCFN DOCA for review. If it is determined that a Stage 2 is required, MCFN DOCA is expected to be involved in the field study with MCFN Field Liaison Representation (FLR) on-site participation. This study will be at the cost of the proponent.

Thank you
