Dear Mayor & Councillors,

*The Grand Valley Public Library Board would like to thank you for your generous donation to our Annual Silent Auction. This year was a great success and because of people like you we are able to enjoy that success and give the gift of reading. All monies raised will go towards purchasing new books for the collection.*

*The best gifts have one thing in common, they help everyone. Please accept our thanks and we hope you have a Merry Christmas and a prosperous New Year.*

Sincerely,

Joanne Stevenson
