

GRAND VALLEY

Town of Grand Valley Capital Budget 2025

Streetlights Projects

Total Capital Budget Levy Request = \$0

2024 Projects

- none

2025 Proposed Project

- Streetlight at Amaranth/East Luther Townline and County Road 109 - \$6,000
 - o The Town has received suggestions that drivers at this intersection could benefit from a streetlight to enhance visibility and road safety. Since the Town manages this end of the townline, the residents brought their concerns to us.
 - o A solar light could be installed, reducing installation and operating costs as connections to the electrical grid would be costly.

Funding Sources

- The streetlight reserve has a small amount of money in it (\$6,350) which could go toward the cost of the project.
- The Town could ask the County to provide some of the funding as well if the light was to exceed the amount that we have in reserve.
