

GRAND VALLEY

Town of Grand Valley Operating Budget 2025

Public Works Vehicles/Equipment

The Town currently has 7 vehicles whose purchase was financed:

- By-law vehicle – financed until February 2027, \$6,600 per year
- 2023 Freightliner Snowplow – financed until 2028, \$84,852.48 per year
- 2022 Grader – financed until 2027, \$137,730 per year
- 2021 Ram 2500 – financed until 2025, \$23,500 for 2024 (repaying Roads Reserve)
- 2020 Freightliner Snowplow – financed until 2026, \$57,447 per year
- 2023 Municipal Vehicle – financed until 2028, \$40,456 per year
- 2023 Ram 1500 – financed until 2030, \$10,818.96 per year

All 2025 vehicle and equipment purchases were approved in the Capital Budget, being a new pressure washer and a new salt/sand distribution system for Truck 46.

The new snow plow T45 is arriving shortly. Capital lease payments to be finalized for 5-year payback. \$85,000 put into budget as placeholder.

Costs included in the Operating budget are for preventative maintenance, routine repairs and staff time to maintain the equipment.

Fuel for the equipment is covered in the Overhead budget.
