

GRAND VALLEY

Town of Grand Valley Operating Budget 2025

Drainage Superintendent

- Grand Valley has significant drainage infrastructure across the rural community
- To maintain this infrastructure, the Town retains the services of a Drainage Superintendent, currently employed by RJ Burnside and Associates
- The costs of these services are covered under this section, and part of the costs are reimbursed to the Town from the Province under the “Grants on Costs of Employing a Drainage Superintendent” program

Second Draft comments:

- No amendments were made
