Town of Grand Valley

Greetings:

The Grand River Conservation Authority's (GRCA) vision is of a healthy watershed where we live, work, play and prosper in balance with the natural environment. To help achieve that vision, the GRCA delivers watershed services to twenty-two participating municipalities under Memorandums of Understanding. These non-mandatory programs are in addition to those mandated under the Conservation Authorities Act.

The GRCA is pleased to provide the appended annual report on watershed services provided in 2024. The watershed services consist of watershed sciences and collaborative planning, water quality monitoring and reporting, wastewater treatment optimization, conservation services, and subwatershed services.

A meeting to conduct an annual review of the Memorandum of Agreement and program accomplishments is available upon request to Eowyn Spencer, Supervisor of Administrative Services ([espencer@grandriver.ca](mailto:espencer@grandriver.ca), Tel: (519) 621-2763 ext. 2200).

Regards,
