

## Speeding On Taylor Drive

We will be coming in to discuss the amount of speeding on Taylor Drive. There are several bus stops from 7:30-8:30 am and 3:00-4:30 on our street.

We are seeing a lot of people running stop signs

Taylor Drive is a feeder street for the new development and traffic has increased. We aren't feeling safe having our kids outside on the sidewalks or crossing the street to go to the park.
