

GRAND VALLEY

Town of Grand Valley Operating Budget 2025

Automated Speed Enforcement

- New program for the Town of Grand Valley
- Two-year pilot
- One of many tools being used for traffic control and road safety
- Contracts have been and at time of writing, testing and set up of cameras was in progress
- Per previous reports, the Expenses for the project are presented, and anticipated revenue is budgeted to cover those expenses.

Second Draft comments:

- No amendments were made
