

GRAND VALLEY

Town of Grand Valley Operating Budget 2025

Recoverable Subdivision Expenses

- Each year, Public Works performs winter maintenance on unassumed roads, owned by developers
- The time spent performing this work, along with equipment charges for the use of Town equipment, is charged to the applicable developer
- The Town also charges for utility locate services on developer-owned property
- The expense of this work is tracked in this section and reimbursed under Roads Revenue

Second Draft comments:

- No amendments were made
