Subject: Fence extention for In Memoriam Funeral Services

Hello Mark,

As per our conversation, please accept this email as notification that In Memoriam Funeral Services Inc. would like to extend the existing fence between 28 Main St N and the next door neighbour to the south, Approx 40 feet in length, this fence would be designed as a step down version (Approx 4ft high at the lowest point), as to not impede with vehicles turning in or out of the exciting parking lot and the neighbour's driveway. A cheque for 200 dollars will be delivered on Monday. If you require any more information, please let me know.

Regards,

Randy Mugford

Funeral Director
