Mayor Steve Soloman and Members of Council  
Town of Grand Valley  
5 Main Street North  
Grand Valley, ON L9W 5S6

Dear Mayor Soloman and Members of Council,

I am pleased to share that our government has launched a new Pothole Prevention and Repair Program to help municipalities maintain safe and reliable roads. The \$10 million initiative supports communities with populations under 10,000 by providing targeted funding for critical road maintenance.

Eligible municipalities can apply for up to \$38,000 to repair potholes and address early road deterioration before it leads to costly damage or safety concerns. The program is part of Ontario's ongoing work to protect communities by making record investments in infrastructure and supporting local economies.

Municipalities can apply through the Transfer Payment Ontario portal.  
Application deadline: December 12, 2025.

Sincerely,

Sylvia Jones, MPP  
Dufferin-Caledon
