RE: 2025 Annual Sewage Performance Report (ECA 9611-CFVLRG) and Municipal Sewage Collection System ECA (CLI ECA 101-W601) – Town of Grand Valley

Dear Ms. Townsend,

Please see attached for the following 2025 Annual Sewage and Collection System Performance Reports prepared by the Ontario Clean Water Agency on behalf of the Town of Grand Valley for the:

- Grand Valley Waste Water Treatment Plant
- Town of Grand Valley Municipal Sewage Collection System

This report was prepared in accordance with the Amended Environmental Compliance Approval Number 9611-CFVLRG – Issued July 27, 2022 section 11(4) and Municipal Sewage Collection System ECA Number 101-W601, Issue Number 1- Issued November 2, 2022. Your receipt of this report by or before March 31, satisfies the regulatory requirements:

- ECA 9611-CFVLRG that “The owner shall prepare and submit a performance report to the Water Supervisor on an annual basis, within (90) days following the end of the period reported upon” and;
- ECA 101-W601 that “The Owner shall prepare an annual performance report for the Authorized System is submitted to the Director on or before March 31st of each year and covers the period from January 1st to December 31st of the preceding calendar year.

The Report requirements of ECA 9611-CFVLRG can be found within the ECA as per section 11(4.a-n) and the reporting requirements for ECA 101-W601 can be found in Schedule E, Section 4.6.3 to 4.6.9.

In addition, ECA 101-W601 requires that report shall be made available, on request and without charge, to members of the public who are served by the Authorized System; and made available, **by June 1** of the same reporting year, to members of the public without charge by publishing the report on the Internet, if the Owner maintains a website on the Internet. We kindly ask that notification is provided once the report is posted on the Town’s Municipal website.

Lastly, the Ministry has indicated that the Municipal Collection System ECA Annual Reports can either be prepared as a separate report or as a subsection of the Annual Sewage Report for the Wastewater Treatment Facility, attached you will find one report that satisfies the reporting requirements of both Environmental Compliance Approvals.

Should you require further clarification on the information found within the Annual Sewage Performance Report, please feel free to contact me.

Sincerely,

Jenna Porter
